

Feeding EveryChild EveryDay

24,312 children in 15 nations

Dear friend,

Welcome to the first update for the year from our orphanage support outreach we call **EveryChild EveryDay**. This update includes a copy of the quarterly "Field Report" magazine which features stories from our many ministry partners around the world.

When we set out to expand our orphanage support outreach from the original 4,400 children at the beginning of 2007, we had no idea how much God would bless this outreach. He has blessed it by providing truly generous friends like you.

With your support to this orphanage outreach, and it's supporting **Take Away Hunger** program, we have been able to expand the feeding program every year. 2009 was no different, and by September we were serving a nutritious meal every day to **24,312** children in 15 nations around the world in Africa, Asia, Latin America, and beyond.

But there are still more hungry children around the world. In fact our president, Peter Sumrall, believes God has laid it on his heart to more than double the number of children being fed by the end of this year.

All of our 17 ministry partners right now want to rescue more children from their neighbourhoods. Yet without a steady supply of food, they must close their doors to the hungry. Children who are often homeless, destitute and living in extreme poverty. This doesn't even take into account the tremendous need in nations like Haiti which has so recently suffered a terrible earthquake. UNICEF estimated there were 340,000 orphans in Haiti before the earthquake, now experts report the number will exceed 1,000,000.

Our desire is to take away hunger, and to give every child the right to expect a healthy meal everyday. And with your faithful and generous support, we have began to do that. As we spend the next few months looking for ways to feed the hungry, please pray for us to have wisdom, as we run towards this goal.

It would be greatly appreciated if you look for opportunities to share about the work we are doing with your friends. Let them know how simple it is to make a difference – if they gave just \$6 every week, in a year we could send 5,200 meals to desperately hungry children around the world.

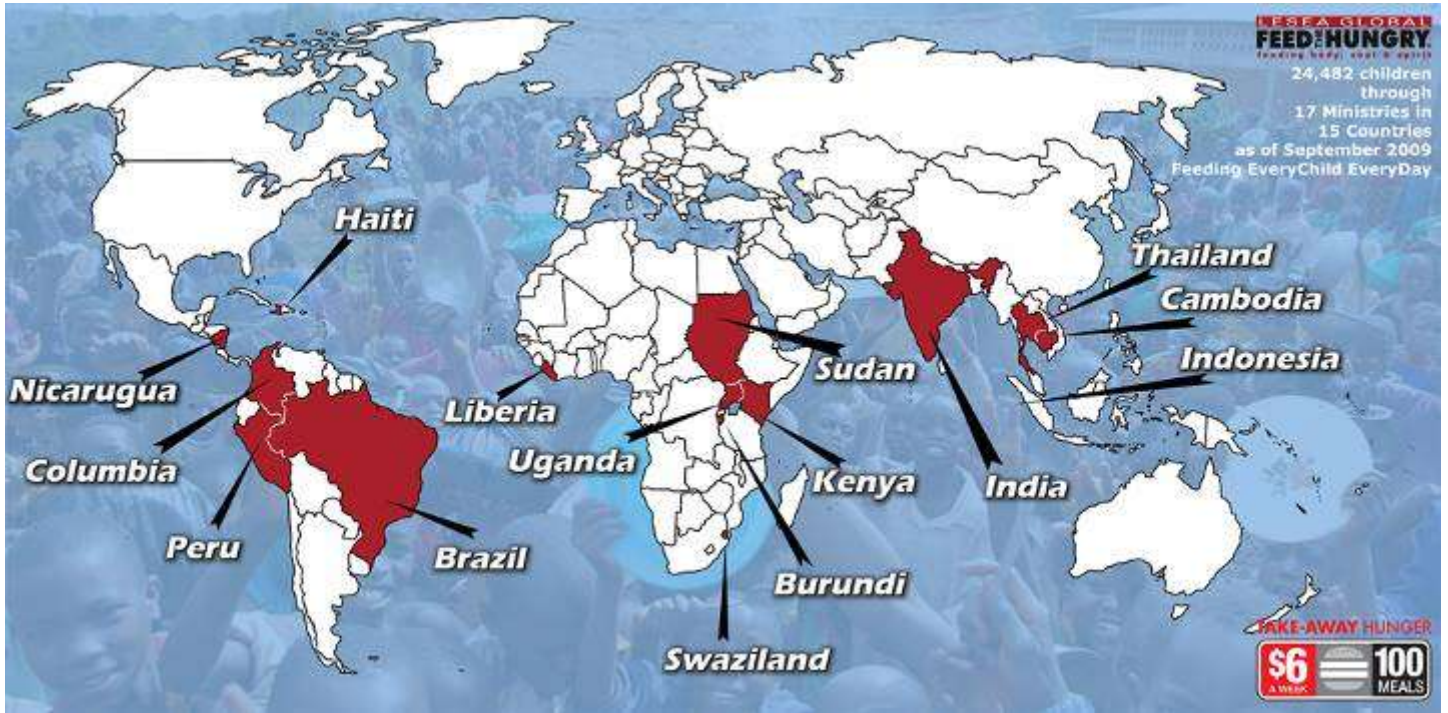

It's exciting to see how far we've come already, I can't wait to see where God will take us next. Don't forget... you can stay up to date with our progress at our website www.feedthehungryaustralia.org
