

For the **cost of a fast food meal** you can send hot and nutritious meals to hungry children across the world.

Help feed **EveryChild EveryDay.**

You can be part of the answer! Help send hot and nutritious meals to hungry children throughout the world. These children are in the care of established Christian orphanages and ministries who need our help.

Every \$6 provides 100 hot and nutritious meals!

The meals are a combination of rice, dehydrated vegetables, vitamins and minerals and are a key component to our EveryChild EveryDay program. Easy and safe to transport, the meals are simple to prepare, and culturally acceptable worldwide. They are designed to save the lives of severely malnourished children, and will continue to improve their health as part of their regular diet.

Your monthly gift of \$30 provides 500 meals to some of the world's hungriest children.
